New Provider Start Kit

To help our providers get started, we now offer a “starter kit” discount on the client workbooks. Under this program, certified providers qualify to purchase 10 books at \$10 each for a total of \$100.00, plus \$15 for shipping for a total of \$115.00. This is a one-time offer (meaning you cannot purchase multiple starter kits) at a substantial discount which will be in effect one year from the date of your completed certification training.
